UDAY GARG

Social Media and Content Creation

Noida, India | +91 79832 90704 | garguday17@gmail.com
LinkedIn | Portfolio

Computer Science undergraduate with hands-on experience in social media management, organic audience growth and campus campaigns. Skilled in Reels, event coverage, content planning and Instagram Insights.

Social Media Experience

Instagram Content Creator | Independent Project

- Grew an organic audience to **2,496+ followers** and achieved **1.6M+ views** in approximately 48 hours, without paid advertising.
- Added **500+ net followers** in approximately 48 hours; the top-performing Reel reached **189,000 organic views** in about 48 hours.
- Created Reels and SEO-focused captions; managed audience engagement using Canva, Instagram Edits and AI tools.
- Used Insights and A/B testing to refine formats, captions and posting times; built an AI-assisted content workflow.

Social Media Lead | Fusion Tech Club, PW IOI

- Designed TECHMATE posters, speaker/judge creatives, standees, countdown Stories and event-day Reels.
- Supported campaigns and live coverage for **500+ registrations** and **300+ participants** across five events and sessions.

Social Media Head | Genesis Business Club, PW IOI

- Helped organise and promote APEX (business analysis), a Pitch Deck event and the Startup Ideation & Validation workshop.
- Created promotional and registration materials; supported student outreach and workshop coordination.
