UDAY GARG

Computer Science Undergraduate

Noida, India | +91 79832 90704 | garguday17@gmail.com | LinkedIn | Portfolio

Computer Science undergraduate with experience in AI projects, content automation, research and campus leadership. Brings analytical problem-solving, creative production, communication and rapid learning.

Education

B.Tech in Computer Science Engineering | PW Institute of Innovation, Noida 2025 - Present

Class XII (PCM) and Class X | GD Goenka Public School, Muzaffarnagar

Skills and Tools

Development: HTML, CSS, JavaScript, Python, Git and GitHub.

AI and workflows: ChatGPT, AI image generation, content pipeline automation and workflow design.

Content and analytics: Instagram, Canva, Instagram Edits, VN, Final Cut Pro, content strategy, audience growth, engagement analysis and A/B testing.

Research and execution: Structured problem-solving, communication, adaptability and independent execution; exposure to legal research, Income Tax, GST and compliance workflows.

Projects

AI Content and Audience Growth | Independent Instagram Project

- Built a content workflow covering ideation, AI image generation, captioning and posting; used ChatGPT and AI tools to reduce manual production effort.
- Grew an organic audience to **2,496+ followers** and generated **1.6M+ views** in approximately 48 hours, without paid advertising.
- Added **500+ net followers** in approximately 48 hours; the top Reel reached **189,000 organic views** in about 48 hours.
- Used Instagram Insights and A/B testing to refine formats, captions and posting schedules.

Work Experience

Summer Intern | Teachnook (Cognizance IIT Roorkee x Wipro) Jun - Jul 2023

- Completed a remote, project-based internship in workflow design and real-world problem-solving; delivered project milestones within structured deadlines.

Legal Research Intern | Law Offices, Muzaffarnagar 2024

- Assisted practising advocates with research and documentation in Criminal Law and Taxation, including Income Tax and GST.
- Observed end-to-end case handling, compliance procedures and practical legal workflows.

Leadership and Campus Experience

Social Media Lead | Fusion Tech Club, PW IOI

- Designed TECHMATE posters, speaker/judge creatives, standees, countdown Stories and Reels; supported coverage for **500+ registrations** and **300+ participants** across five events and sessions.

Social Media Head | Genesis Business Club, PW IOI

- Supported APEX (business analysis), a Pitch Deck event and the Startup Ideation & Validation workshop with promotions, registration materials, student outreach and event coordination.
